Dear Don:

Your thoughtful note of April 10 was really appreciated. I don't know when I have enjoyed visiting with anyone more than I did you during the recent Milan youth rally.

Your thoughtful and prayerful friendship, as well as the wonderful association that I have had with Regina over the years, has been a source of comfort and encouragement.

Thank you for writing. I also hope that I can pass that way some time soon.

Faternally yours,

John Allen Chalk

Dear John,

This is the first chance I have had to write since seeing you at the Youth Forum. When I got home Saturday evening Regina's sister and her husband were there, and we have been on the go ever since.

I just wanted to drpp you a few lines to let you know how much being in your classes has helped me. I do wish Regina could have been there to enjoy it as well. She told me to be sure to send you her best regards and wishes for much success in your new work.

I hope it won't be too long before we will be able to visit with you again. If you have an opportunity to be in the Paris area be sure to come and see us and plan to stay as long as possible. You know you do have some good friends here.

May the Lord bless you and your family as you labor in His service.

Yours in Christ,

Don Stevens
