Dear John Allen:

I would like to tell you that I appreciate you so very much for the sincerity and genuineness you exemplify as a Christian and as a person. It's so great to know that a man such as you can be "all things to all people." Thank you for your friendship. It has meant so very much to me and to my life in Christ. It's difficult to get to know some men in the brotherhood who are outstanding speakers because they don't possess that quality of love and understanding that Christ had. They don't really seem to care. But I am so thankful to know that you possess every quality which reflects Christ in your life to everyone you meet. I am so thankful to God that He afforded me the opportunity to know you. It is really a wonderful gift to me. Thank you for being the man of God that you are.

You may not know, but I am a full-time student at Tech now, and working part-time at CE. I have always wanted a higher education, but was (and still am) financially unable to have it. However, one never attains any goal by putting it off. Now is the time! I hope and pray that in the education I am seeking God can use me in more efficient ways than ever before. I covet your prayers.

I would like to receive two copies of your sermon series on Herald of Truth regarding marriage. My roommate and I have enjoyed the messages so much.

May God bless you as you prepare for another work in Atlanta. I know He will use you in whatever capacity He deems you best for His purpose. May you and your family be happy there and your desires be fulfilled according to His will.

Your loving sister in Christ,

June Wood
