

THE YEAR OF  
**YOUNG ADULT AND CAMPUS MINISTRY**

The year of *Young Adult and Campus Ministry* has challenged the Harding University Graduate School family to see ministry to these groups as a priority in the church.

Young Christians on and off college campuses are committed and energetic, eager to serve God. They offer the church a dynamic present and a hopeful tomorrow.

Young adults who do not know Christ seek real answers to real questions. The church has an important opportunity to reach them with honest dialogue and a clear message.

By focusing the year on the needs of these people and the resources they bring, Graduate School students have been able to see opportunities for developing new ministries and strengthening established ones.
