Dreams *solidified and reached through* **STEPS**

College was a time of transition and a time of growth. While initially the four years seemed endless, students quickly realized that four years was not very long to develop individual personalities.

Students took steps down numerous paths to reach a myriad of goals. Some goals required few steps and short journeys. Other goals required millions of steps and took lifetimes to accomplish. Still other goals were unreachable.

College was a time not only to develop dreams but to develop personalities. For many, it was the first real experience away from home. It was a time for students to take steps toward making their own decisions, solidifying their own faiths and deciding how they would choose to live away from parents and the familiarity of home.

While walking in the shadow of Christ, other dreams, pursuits and aspirations proved less important. Students learned that goals and dreams are important but daily actions and attitudes are remembered.

Life at Harding moved students one step closer. One step closer to dreams. One step closer to the future. One step closer to Christ.

David Hurd

David Hurd, 50, director of video services, died of a heart attack Feb. 26. Hurd was diagnosed with a malignant brain tumor last semester.

Hurd graduated from Harding in 1974 and had worked for the university since 1976.

Friends remembered his spiritual leadership.

"David was a man of the Word," Mark Prior, production technician, said.

Hurd's co-workers said he was always available to assist in all video projects the office was involved in.

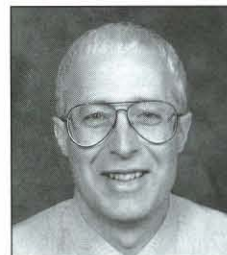

"He was also a very hard worker. He always put in the extra effort," Prior said.

Hurd's willingness to step up and be a leader in the office was remembered.

"He was a leader," senior Regan Epps, video services worker, said. "He was always behind the scenes."

Hurd was survived by his wife, Jennifer, and their two daughters, Amy of Houston and Sally, a junior at Harding.

Kelly Mueller

Senior Kelly Mueller was killed in an automobile accident Nov. 3. She was 21.

Mueller was a psychology major and a member of GATA social club. She was born on March 4, 1981 in Jacksonville, N.C.

"Kelly always had a smile on her face," senior Tracy Glenn, GATA president, said.

Friends relied on memories of Mueller to help them through their loss.

"She was all about making the most of everything," senior Amanda Mook said. "She didn't want to miss a second."

Many remembered Mueller for her dedication to her friends, family and club.

"She never did anything half-heartedly," Glenn said. "She put her all into everything that she did, and that will be missed."

Junior Katie Granberg said Mueller was someone who brought fun and excitement into the lives of others.

"Everything you did with Kelly, you knew it was going to be fun," Granberg said. "It made you feel special when you were around her."

Deanna Smith

A memorial service was held Nov. 9 in honor of Harding Board of Trustees member Deanna Smith and her husband, Gaylon. The Smiths' private plane disappeared from radar as it prepared to land in Memphis Nov. 3.

Board member Harry Risinger said that Deanna Smith was a positive presence on the Board of Trustees, where she had served since 1989.

"She was a very intelligent person," Risinger said. "She offered good ideas, gave good advice and spoke out."

Before being appointed to the board, Deanna Smith served as a

national president of Associated Women for Harding.

"Deanna [did] a lot of wonderful things in Memphis," President David Burks said. "She [was] always active in volunteer work on behalf of the university."

The Smiths, who graduated from Harding in 1967, were known by many for their generosity.

"The Smiths were very generous in every way," Risinger said. "They gave financially, they gave their time and they were generous with every aspect of their lives."

Janie Summers

Graduate student Janie Summers was killed Feb. 10 after she lost control of her pick-up truck on Highway 64 east of Beebe.

The 38-year-old special education teacher from Beebe had been attending classes at Harding in order to earn a master's degree in special education. She was enrolled in Associate Professor of Education Dr. Jenene Alexander's diagnostic testing class in the spring.

Summers was a seventh- and eighth-grade teacher working in the Augusta School District.

"She was planning on becoming a special education teacher, and she was very excited about it," Alexander said. "She was very effective with her students. They loved her. She had really connected

with some of the students that were struggling."

Summers' 6-month-old daughter, Sadie, was also in the truck. Sadie was unhurt in the accident.

Besides Sadie, Summers left behind a 6-year-old daughter, Elizabeth.

Alexander's graduate class sent Summers' seventh- and eighth-grade class a vase of living peace lilies and beta fish following Summers' death.

"She was such a happy, friendly student," Alexander said. "She loved learning."

Katie Jo Wessells

Sophomore Katie Jo Wessells died instantly after falling more than 80 feet from the cliffs known as B Rock Feb. 1 at Camp Wyldewood in Searcy.

According to her friends, Wessells, who enjoyed climbing, was familiar with the area. Hundreds of students and community friends attended Wessells' memorial service Feb. 3 at the Complete in Christ Church in Searcy.

"Her smile showed everyone what she was thinking," sophomore Andrew Ingle said.

"She made friends with anybody. She never hated anything," he said.

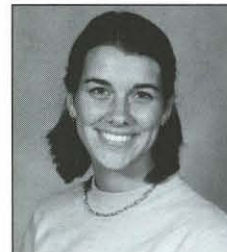

Other friends referred to the unassuming friendships and conversations she gave them.

"No matter what she was doing, she always made time for you and treated you like you were the most important," sophomore Johan Muir said. "She was the most selfless person I've ever met."

Wessells was known for being active in her faith.

"She was a role model to me," senior Anibal Tamacas said. "She set a great example. You could see Jesus in her. That is what I am taking with me."

The country struggled to find peace after the tragedy of Sept. 11, 2001 left the nation's foundation shaken. Terrorists continued to creep into the lives of Americans.

Although America led the world in the war against terrorism, the ultimate goal was peace.

"As our nation moves troops and builds alliances to make our world safer, we must also remember our calling as a blessed country is to make this world better," President George Bush said, in the State of the Union Address, Jan. 30.

Some students at Harding agreed with the president's decision to lead the country in steps against terrorism.

"I don't have any problems with what he's doing because he's the leader of our country, so I think that God will show him the way as long as he has our prayers," freshman Chris Stern said.

Bush planted his feet on the philosophy of stopping terrorism.

"We have the terrorists on the run," he said. "We're keeping them on the run. One by one, the terrorists are learning the meaning of American justice."

The U.S. government moved toward bringing the world one step closer to peace.

"As we fight this war, we will remember where it began—here, in our own country," Bush said. "This government is taking unprecedented measures to protect our people and defend our homeland."

The spring semester brought a whirlwind of events, including the student lectureship, Feb. 16-18, the Day of Outreach, March 5 and Spring Sing, April 18-19.

In the midst of all of the activities, students found ways to draw closer to the Lord.

"The times I've grown the most have been when I've been able to take myself away from the business and spend time with God alone," senior Rebekka Brazle said.

By spending alone time with God, students realized that each day was a day for God and needed to be lived fully.

"The most important thing I've learned is that every day is a sacrifice that needs to be given to God," Brazle said.

Whether graduating or leaving for the summer, many students left with a stronger emphasis on their spiritual lives and on their personal relationships.

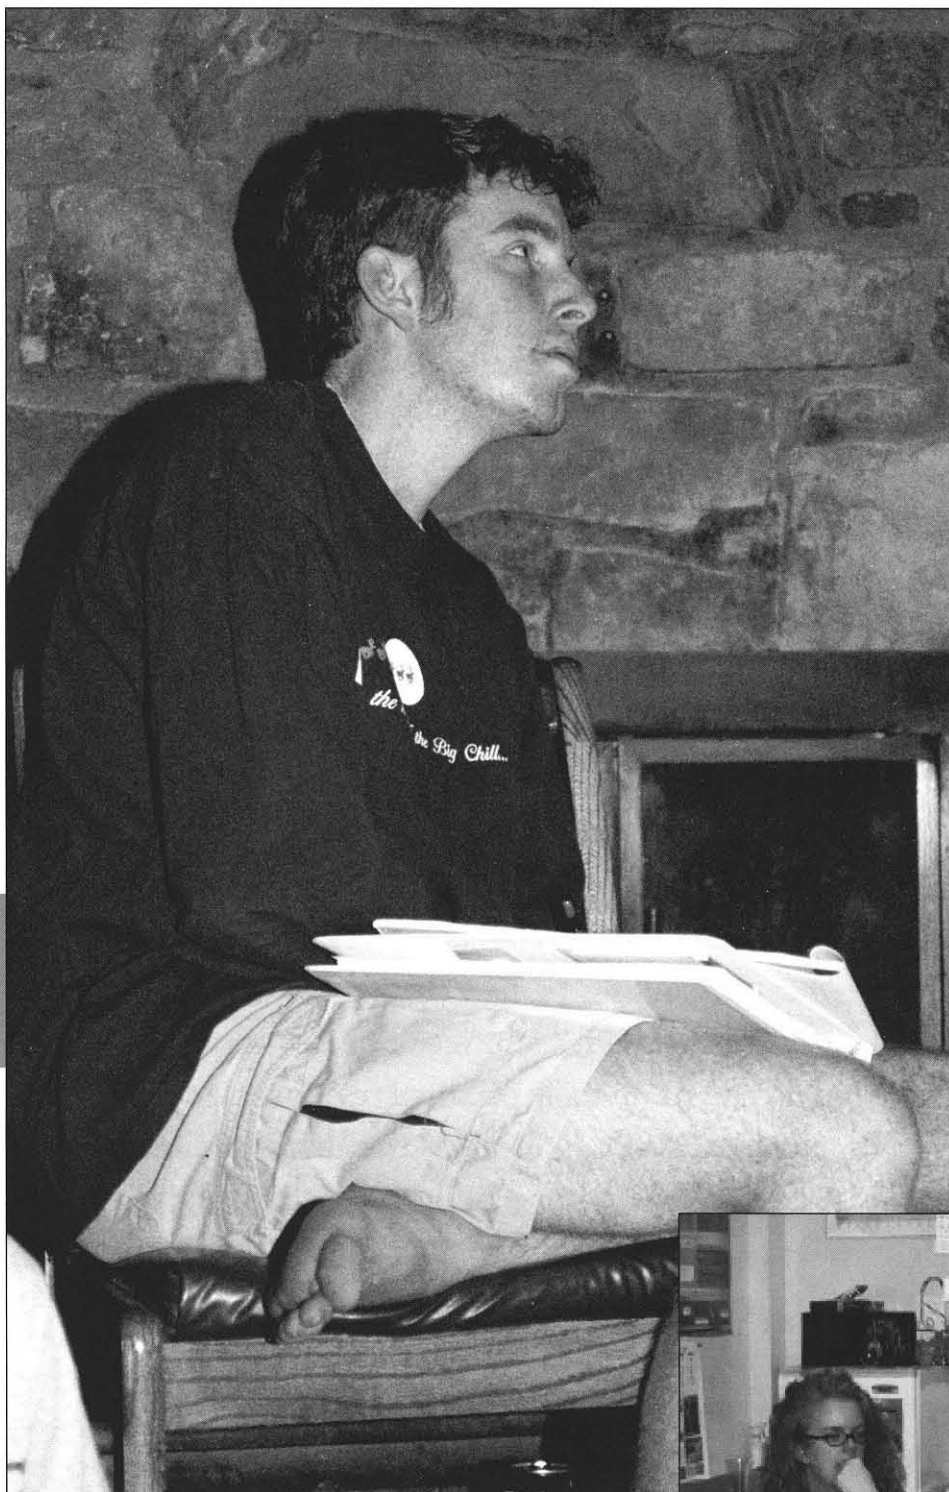

"I appreciate being home more," freshman Jeff Cole said. "I appreciate the time I get to spend with my family. Being here helps me realize how much a part of me they are."

As they ended the year, some students noticed the strides they made towards becoming better Christians.

"I'm thankful that God has put me in a place where I can grow closer to other Christians while growing closer to God at the same time," Cole said.

"Can I be on the cover of the yearbook, Renee?"

On average, I heard this question five times a month. I apologize to every one of you who desired to be the "cover girl" of this year's *Petit Jean*.

I hope that although we did not put a face on this year's cover, you liked the book.

This year's staff, Tricia, Michelle, Lisa, Emily, Charity, Ben, Rachel, Lindsey, April, Russ and Melissa, worked long hours to produce what we hope is an awesome publication. There were times when we wanted to run out of the office and forget about work. But we stuck with it and completed a gigantic task.

I want to thank those people I just mentioned. You all took my crazy design and theme ideas and made them a reality. Thank you for doing a great job. Jim, you taught me how to be a leader, thank you. I'm one step closer to being a good editor because of you. Mrs. Baker, thank you for trying to keep Jim and me on task. And thank you for bringing me back to earth with the chicken dance song. And I must say something about *The Bison* staff. The newspaper staff needs to be commended. You guys were my go-to people this year. Thank you for keeping my feet on the ground. I love you all.

Well, we're done. When I'm old and gray I look forward to sitting around and reading the 2003 *Petit Jean* copy.

Renee E. Lewis ☺
