# hosts & hostesses

Cameron Frazier

If you've seen a musical production at Harding in the past four years, chances are you've come across host Cameron Frazier.

A senior music and pre-physician's assistant major, Cameron appeared in the Spring Sing Ensemble in 2008 and 2009, and as a host in 2010. He is also a four-year member of the Harding Chorus, a three-year member of Chamber Singers. He appeared in *Wizard of Oz*, *Oklahoma* and *Scrooge*.

"I love to sing, and I love to perform," Cameron said. "And it is great working with others and see how they perform and feed off of each other."

A Searcy native and son of Allen and Pamela Frazier, Cameron said he remembers home as a comfortable place. "Home is a cozy place where I feel safe and relaxed," he said.

Tori Wisely

A newcomer to Spring Sing, freshman English major Tori Wisely has wanted to perform on the stage for years.

"Ever since I first saw Spring Sing in middle school I have wanted to participate in the show," Tori said. "I'm so honored and excited to be a part of the show and work with Caroline, Cameron, Sam, and so many other talented people. Also, I love the costumes."

Tori is the daughter of Phil and Sharon Wisely. She calls St. Louis suburb O'Fallon, Illinois, home.

"For me, family is home," Tori said. "When I see the [St. Louis] arch, I know home is coming."

Tori's first Harding production was *Thoroughly Modern Millie*. She is a member of Pi Theta Phi social club.

## *president's note*

# *Home. Heart. Heroes. Harding. Heaven.*

To prospective students, alumni, parents and visitors, let me welcome you to the Harding campus and Spring Sing 2011. This year's theme, "Welcome Home," focuses on the things that matter most to the Harding community— home, heart, heroes, Harding and heaven.

For many, the University holds an element of "home," having been part of your life for a number of years. But home seldom consists of walls and rooms; it is the people who make it. The same is true for this performance. More than 1,000 students have combined their efforts to present an energetic, musical performance celebrating these

cherished ideals. While you are here, I hope that you get a chance to meet the current generation who has chosen to make Harding their home as well.

Please enjoy Spring Sing 2011. Let us know if we can assist you in any way.

*Dr. David Burks*

Harding University President

## *director's note*

*Home interprets heaven. Home is heaven for beginners.*

- Charles H. Parkhurst

I'm a beginner when it comes to Heaven. I've been a Christian for more than 30 years. But I really only understand going home to God because I understand how important home is right here and now. Home is an ideal where everything is useful, beautiful, happy and safe. Home is a reality that we share with those we love. Home is where we belong.

Thousands of students have called Harding home at some point in their lives. It was where they belonged. That home was not perfect. But that home was real. And that home pointed them higher. Those students have since found new homes and new families all around the world. It is where they belong. Those homes are not perfect. But those homes are real. And those homes are pointing another generation higher.

So, *Welcome Home* to Harding University. Welcome Home to Spring Sing. If it is your first visit, we believe it is where you can belong. If you are returning to campus, we believe it is where you still belong. This year Spring Sing celebrates the things that matter most in life to our Harding family — Home, Heart, Heroes, and Heaven.
